

## CS 6678 — Getting Access to The AI School

This course uses The AI School platform as the primary source of technical content. All students enrolled in CS 6678 will receive complimentary access for the duration of the semester.

### Step-by-Step Instructions

1. Go to The AI School website: <https://www.the-ai-school.net>
  - Navigate to The AI School sign-up page.
2. Sign up using your ISU-registered email address
  - You must use the same email address that is officially registered with the university.
  - This is how your enrollment will be verified.
3. Create an account
  - Follow the normal account creation process.
  - You may be asked to choose a password and verify your email address.
4. Do NOT enter a credit card
  - Do not enter any payment information.
  - Do not start a paid subscription.
  - Access for this course will be granted manually.
5. Wait for access to be processed
  - Complimentary access will be applied within 24–48 hours.
  - You will receive confirmation once access has been granted.

### Important Notes

- If you sign up with a non-ISU email address, your access may be delayed or denied.
- Do not attempt to bypass the process by starting a free trial or entering payment information.
- Access is granted only to students officially enrolled in CS 6678.

### If You Have Issues

If you do not receive access within 48 hours, or if you encounter technical issues during sign-up:

- Double-check that you used your ISU-registered email address.
- Contact the instructor or course staff with your name and the email address you used to sign up.

Please complete this process as early as possible so that you can begin Module 1 on time.
